WELCOME TO ERASMUS TRUSTFONDS

Erasmus Trustfonds Grant Applications

The Erasmus Trustfonds intends to promote the growth and flourishing of Erasmus University Rotterdam (EUR). With its financial support, the Erasmus Trustfonds co-fosters the aim of EUR to invest in science that matters.

Are you an academic staff member of EUR, or a representative of a student-, study- or other association recognized by EUR? And do you have a great idea for a research project, or other activity? Or are you an excellent EUR student who wants to go on exchange? Please submit your grant application via this portal. Before you apply, please check whether you meet the requirements and carefully read our [guidelines](#) and the [application procedure](#).

We are looking forward to receiving your application.
Should you have any unanswered questions after consulting the information on our website, please contact the Erasmus Trustfonds staff (+31 10 411 05 98) or send an email to aanvragen@trustfonds.nl.

The screenshot shows the login page of the Erasmus Trustfonds Portal. At the top, there is a dark red header with the text "Erasmus Trustfonds Portal" on the left and a home icon and "Sign In" link on the right. Below the header, there are two buttons: "Sign In" and "Register". Underneath, the text "Sign in with a local account" is displayed. The login form includes fields for "User name" and "Password", both marked with an asterisk. There is also a "Remember me?" checkbox. At the bottom of the form, there are two buttons: "Sign in" and "Forgot your password?". Below the form, there is a light gray footer with the text "About Erasmus Trustfonds" and a dark red footer with the text "© 2019 Stichting Erasmus Trustfonds".

Once you are signed in, click *New Application*. Click *New Application* again to start your application.

The screenshot shows the dashboard of the Erasmus Trustfonds Portal. At the top, there is a dark red header with the text "Erasmus Trustfonds Portal" on the left and a home icon, "New Application", and "Submitted Applications" on the right. Below the header, there is a breadcrumb trail "Home / Applications". The main content area is titled "Applications" and contains a search bar with the text "Search text" and a magnifying glass icon. To the right of the search bar, there is a button labeled "New Application" with a blue arrow pointing to it. Below the search bar, there is a table with the following columns: "Application Title", "Grant Type", "Stage", "Modified On", and "Created On". Below the table, there is a message that says "There are no records to display." Below the table, there is a light gray footer with the text "About Erasmus Trustfonds" and a dark red footer with the text "© 2019 Stichting Erasmus Trustfonds".

On the following pages you can see which information will be asked in the application. Each time you successfully continue to the next step of the application process, the information you provided will be saved. This means you can pause filling in the application if necessary and continue at a later time.

The Erasmus Trustfonds is an independent organization. By submitting this application I authorize the Erasmus Trustfonds to share the status of my application with the Erasmus University Rotterdam (EUR), its faculties, departments and institutions. I have completed the form with the information to the best of my knowledge. I explicitly consent to Erasmus Trustfonds and/or EUR to process and retain my data as supplied on this application form. Erasmus Trustfonds and/or EUR will process this data in accordance with the legal requirements. Data will be used and securely retained by these parties in order to process this application, to evaluate the project and to process future learn, earn, return matters. We will not give the data to any third parties if permission has not been granted.

General confirmation *

With this application, I declare to adhere to the Dutch Code of Conduct for Academic Integrity as also endorsed by the Erasmus University and the Erasmus MC and work towards open science as a standard, by ensuring research data used and all academic output meets the FAIR principles. In accordance with the policy of Erasmus University and the Erasmus MC, 1. The proposed research has been tested by the designated ethical committee of the relevant faculty where the lead applicant has been appointed. As part of the ethical review, where applicable, reviewing was also done for methodology and research data management. The result of the ethical review is attached as an appendix to this application. If applicable, a review by an Animal Experiments Committee has also taken place and an agreement is available from the Central Animal Testing Commission before a definitive grant allocation can take place. 2. Data used and academic output meet the FAIR principles: Findable: easy to find for both humans and computers, with metadata that facilitates searching for specific datasets, Accessible: stored for the long term so that they can easily be accessed and/or downloaded with well-defined license and access conditions (open access when possible), whether at the level of metadata or at the level of the actual data, Interoperable: ready to be combined with other datasets by humans or computers, Reusable: ready to be used for future research and to be further processed using computational methods.
